A Golden Violinist needs to be someone who is willing to help others. Our young violinists who are starting their early journey into the violin need two things above all else to succeed. They need encouragement and good teaching. We would like to see our golden violin applicants work with students in younger classes. You can ask teachers if there is a particular student that could use your one-on-one assistance or if you can take more than one student and lead a sectional.

To be eligible for the golden violin award a student must complete 5 hours of mentorship during a given semester (Sep.-Dec or Jan-Jun) and obtain the observing teachers signature. Please record your hours and signatures below.

The Role of a Golden Violin Winner

If you achieve the status of a Golden Violin Winner you take on a new role within the FAYM community. You are seen as the best player. The hardest working musician. A gifted student. FAYM wants to give you the golden violin to keep forever so you may grow as a musician and delight the world with your gift. We don't want you to lose momentum thinking you've accomplished all you can. The Golden Violin should be a start to the next steps in your playing.

You will work closely with the Program Coordinator, Tim Thomas, to be a mentor and continue your string education. You should be enrolled in your school orchestra at all times and learn as much as you can from all teachers.

We need you to play the role of mentor with FAYM students. FAYM is built upon the generosity and kindness inherent in people. By you returning to classrooms and giving back by teaching new beginners, correcting and helping intermediate players, or inspiring advanced players is so important. Please use your new instrument as a tool for inspiration and guiding.

Welcome to the Golden Violin Family!
